A message from the President.....

We have come to the last meeting of the year, having had a very successful program enjoyed by our members all year! Our June meeting will not be a business meeting, but will be used to honor our scholarship recipients of 2014. I would like to express my sincere thanks and appreciation to our Council who worked tirelessly to guide our Lodge this past year, and to all our members who worked on or chaired committees for the benefit of all. I especially want to congratulate our members who attended meetings and events as YOU make up the heart of our organization.

Thank you!

George Franco
